Hiring Manager

Microsoft

Subject: Application for Software Engineer Internship

Dear Hiring Manager,

I am writing to express my interest in the **Software Engineer Internship position at Microsoft**. As a B.Tech student in **Computer Science and Engineering at Anurag University**, I am passionate about technology and eager to apply my technical knowledge in a dynamic and innovative environment.

Through my academic journey, I have developed proficiency in **programming languages such as C, C++, Java, and Python**, as well as a solid foundation in **data structures and algorithms**. Additionally, I have hands-on experience with **basic web development** and am currently building my knowledge in **Java Full Stack Development**. These skills, combined with my ability to learn quickly and solve problems analytically, make me confident in contributing to your team.

What excites me most about Microsoft is its culture of innovation and its commitment to empowering developers worldwide. I am eager to collaborate with talented professionals, learn from experienced mentors, and contribute to meaningful projects that impact millions of users globally.

Thank you for considering my application. I would welcome the opportunity to discuss how my skills and enthusiasm align with Microsoft's vision. I am available for an interview at your convenience and can be reached at **harshavardhanvaddi10@gmail.com** or **+91 7396047933**.

Sincerely,

Harshavardhan Vaddi
